## **Transport from the International Airport “Nikola Tesla”**

---

### **Belgrade International Airport "Nikola Tesla"**

<http://www.beg.aero/welcome.54.html>

There are a few travel options when traveling between Belgrade airport “Nikola Tesla” and the city center.

**Mini bus A1** - Runs every 20 minutes. The end point is Slavija square (Trg Slavija). A ticket can be purchased from the bus driver at the price of 300 dinars.

**GSP bus 72** – Runs every 30 minutes. The end point is Zeleni venac. A ticket can be purchased at a kiosk or from the bus driver at the price of 72 and 150 dinars, respectively.

You will find the bus stop just outside the terminal (-1 level).

You may also take a **TAXI** to your destination. **Please make sure to order yourself a taxi at the Taxi Info stand at the airport.** One of the stands is exactly in front of the exit door of the International Arrivals hall (-1 level). You will immediately get a receipt, and you will pay at the end of the ride.

Please **be careful** about independently taking among the many taxies waiting in front of the airport, as you might be overcharged.
