Strengths and limitations of the event: please include comments received

Strengths of the event and contributions or activities enjoyed by participants:
<ul style="list-style-type: none">• Interaction with audience.• Good speech.• Clear sentences and also simple.• Good presentations and professors.• The event was very informative and beneficial because it dealt with concrete problems regarding the academic writing process.

- The presenters gave the participants valuable information about techniques of writing.
- Presenters were open-minded and cooperative.
- Everyone could express their own opinion and ask questions.
- The answers provided were helpful and explained with precision.
- All of this greatly contributed in developing writing and research skills.
- A lot of useful information and answers.
- Excellent professors for this event.
- I got good basics for writing an academic/scientific work and PhD thesis on English language.
- It was very useful for me; I got a wider image about writing.
- I learned a lot and I am thrilled with presentation of subject.
- Professors motivated me to keep searching.

Suggestions for the improvement:

- More examples.
- Books where can I find more information.
- Online service about this topic (for example forum).
- The topic could be even more specific, more details.
- According to feedback, the presenters can include some new materials and topics for the next event.
- More practical experience and work.
- This event could be little more shorter.
- I don't have any suggestions because I haven't find anything that bothered me.

Any further comments

- Highly useful event, suitable for me.
- Event was well-organized and instructive.
- Thank you for this event and excellent organization.
- Looking forward to the next seminar.
- We should have more courses like this.
