1. Purpose, objectives and elements of the meeting

The first meeting of the partners within the Re@WBC Erasmus Plus project was organized at the University of Nis, on December 10 and 11. The objectives of the kick-off meeting were

• to introduce to each other all the partners of the project

Enhancement of HE research potential contributing to further growth of the WB region

- to develop a common understanding of the project objectives, activities and expected results
- to discuss into details the action plan for the first six months
- to clarify project management and administrative procedures.

The kick-off meeting was organized as two-day event. The first day consisted of three sessions and the second day of one in which all the representatives of the partner institutions present at the meeting tookactive part.

1.1. The list of attendees

Thirty seven representatives from 13 partner institutions and the representative of National Erasmus Office were present at the meeting. The list of attendees is presented below.

2. First Day

The first day of the kick-off meeting was divided into three sessions:

Enhancement of HE research potential contributing to further growth of the WB region

Part I - Opening session

Part II - Introducing project management, monitoring, reporting, financial reporting and technical details

Part III - Short presentations of all partner institutions with special emphasis on their HE research potential and practices, as well as role in Re@WBC

2.1 Part I

After the welcome speech given by the Rector of the University of Niš, Prof. Dragan Antić and having the participants acquainted with the history of the development of the University of Niš by Prof. Vesna Lopičić, the first session comprised three presentations that can be summarized as follows:

1. Prof. Dr. Dragana Cvetković Ilić, University of Niš, Re@WBC project presentation.

The presentation was intended to bring forth the basic ideas of the project as well as the expected results and the specific actions related to it.

2. Prof. Dr. Miroslav Trajanović, University of Niš, EU HR strategy for researchers.

The purpose of the talk was to highlight the objectives and notably the benefits of introducing the EU HR strategy for the researchers in the university.

3. Dr Milan Zdravković, University of Niš, HR strategy at University of Nis

Dr Zdravković described very clearly and in detail the process of acquiring the HR Excellence in research label that the team from the University of Niš went through, together with the particular problems that had presented themselves along the way, thus letting the partner universities get a rough idea about what is most probably to be expected when they launch a similar set of actions with the goal of acquiring the label.

2.2 Part II

The second part opened with the presentation of the Erasmus Plus programme given by Ms. Ivana Zivadinovic, the representative of Serbian Erasmus Office. Ms. Zivadinovic presented some basic information on the programme, contractual and financial obligations of beneficiaries, clarification of costs eligibility and other issues relevant for the successful implementation of the project.

After that a presentation concerning the Project finance and financial reporting was given by Sasa Nikolic who informed the partners that the presented information regarding the financial management of the project was obtained from the Grant Agreement and Work Programme of Erasmus Plus. More specific and detailed requirements will be available upon the official

Enhancement of HE research potential contributing to further growth of the WB region

release of the financial guidelines by the EACEA and the coordinators' meeting in Brussels, scheduled for January 27 and 28, 2016.

Also, Prof. Jelena Manojlovićpresented the Project website and project management platform which will be used throughout the project lifetime.

2.3. Part III

During this part, each of the project partners gave a short presentation of their institution. The aim of these presentations was to provide the participants with the opportunity to learn more about the other institutions participating in the project and their expertise and experience relevant for the successful implementation of the project activities. 12 presentations were given given that the presentation of the Project Coordinator, University of Nis was given in the Part I by Prof. Vesna Lopicic:

Prof. Dobrila Petrović, Rebekah Smith McGloin, University of Coventry

Isabelle Halleux, University of Liege

Prof. Micaela Demichela, Politecnico di Torino

Prof. Marija Krivokapić, University of Montenegro

Prof. Senada Kalabušić, University of Sarajevo

Jovana Amović, University of East Sarajevo

Prof. Armela Panajoti, University of Vlora 'Ismail Qemali'

Prof. Shpresa Delija, University of Tirana

Prof. Ivan Mačužić, University of Kragujevac

Vladimir Marković, University of Belgrade

Prof. Pavle Sekeruš, University of Novi Sad

Dobrivoje Erić, Center for the promotion of science

The first day of the meeting ended at 17:30.

3. Second day

On the second day, the partner institutions discussed the contractual, technical and practical aspects of the Re@WBC project implementation. The second day agenda included:

3.1. Forming of management structures

The management structure was proposed by the project coordinator. It included, among others, three management bodies that needed to be adopted by the Consortium members:

Steering Committee (five members from five Re@WBC partner institution)

Enhancement of HE research potential contributing to further growth of the WB region

- Quality Assurance Committee (five members from five Re@WBC partner institution)
- WP leaders

The Re@WBC Consortium adopted the decision on the establishment of management structures. The Decision was sent to all project partners and it is a part of these Minutes as Annex 1.

3.2. Presentations of WP

During this part, each workpackage leader gave a preview of the work package. The presentations included general information on each WP such as the duration of the WP, main objectives, list and short description of activities, list of task leaders and expected outcomes with set deadlines.

3.3. Action plan for the first six months

In order to initiate project activities successfully and in accordance with the defined dynamics, the action plan was discussed and reviewed. The action plan included the list of project activities and sub-activities that need to be initiated in the first six months. Each activity was followed by a deadline and a list of participating partners.

After the review and discussion, the action plan was adopted and will be delivered to all partners in electronic version.

The second day of the meeting ended at 13:00.

4. Conclusions

The first partners' meeting on the Re@WBC project was successfully realized in accordance with the previously established agenda.

The presentations and material from the meeting will be additionally delivered to all partners.
