Number of Pages	
Dissemination Level	Internal

Abstract	The following document is a report on the current situation of the researchers databases and information flow in general
----------	--

Report on the current situation of researcher databases and information flow in general

1. Does your Institution provide any kind of researcher database? If so, please specify the type of personal data of the researchers available on the platform (name, surname, email address, biography, field of interests, etc.)
2. Please indicate the legal framework regarding the Law on personal data protection in Your country? If any, please specify the limitations related to the implementation of Activity no. 3.2?
3. Does your Institution offer open access to relevant and up to date information about vacancies, mobility programmes, project calls, scientific actualities, etc? Please indicate the communication channels (web pages, web sites, e journals, etc.)
4. Please provide information about bodies responsible for transparency and information flow at your institution (University centers, Student organizations, etc.)
5. Remarks/Suggestions for improvement
