Short description: Promotion of Re@WBC project during 'Mapping Balkan routes: literary, cultural and linguistic landscapes' International conference on Balkan Studies organized by the Department of Foreign Languages and the Department of Albanian Language and Literature, Faculty of Humanities, University of Vlora "Ismail Qemali", and the Faculty of Philology, University of Belgrade, 8-9 September 2017, Vlora, Albania.	
A special session for the promotion of Re@WBC project was organized in the framework of the 'Mapping Balkan routes: literary, cultural and linguistic landscapes' international conference on Balkan Studies, a collaboration between the Department of Foreign Languages and the Department of Albanian Language and Literature, Faculty of Humanities, University of Vlora "Ismail Qemali", and the Faculty of Philology, University of Belgrade, which took place on 8-9 September 2017 in Vlora, Albania. The session was included in the conference programme (attached). The presentation took place during the second day of the conference. The promotion of the project was done in the form of a ppt presentation to an audience made up of professors, young researchers and students from different universities, in Albania and overseas. The presentation focused on a brief introduction of the project, its main goals, and the project partners and more specifically on the project results, what has been achieved so far within each work package. Participants found the project very interesting and most needed and asked questions about the different work packages.
