	<p>opportunity to improve my knowledge and skills</p> <ul style="list-style-type: none"> • We were encouraged to speak about problems and challenges we face in our research career • Prof. Zerem was great lecturer, he gave us lot of ideas and useful tips for writing scientific article
<p>Suggestions for the improvement:</p>	<ul style="list-style-type: none"> • Spread the information to other members of academic community, involve ministry representatives • Speak more about financing research activities • Combine it with TRAIN programme to involve more young professors in training • Organize again similar event and bring someone from University Fund for financial support for young researchers
<p>Any further comments</p>	<ul style="list-style-type: none"> • Let us informed about progress in adoption of new legislation in higher education • Excellent work • Organize similar event during winter semester break
