PROBLEMS ENCOUNTERED DURING THE EVENTS PREPARATION PHASE

(To be filled by organisers)

- Since the University of Montenegro faculty units are dislocated across the country, it was difficult to gather all the participants for one major event. That is why it was decided to organize several events at different faculties on the topic of research methodology. One of the events held was at the Faculty of Philosophy for postgraduate studies students and it gathered 23 participants.

Strengths and limitations of the event: some comments received by participants

Strengths of the event and contributions or activities enjoyed by participants:	<ul style="list-style-type: none"> The attendees found the lecture useful for their future career.
Suggestions for the improvement:	<ul style="list-style-type: none"> More concrete examples to illustrate the content of the lecture.
Any further comments	<ul style="list-style-type: none"> The attendees expressed interest in attending seminars on similar topics.
