Within the RE@WBC project lifetime, the University of Kragujevac webpage in English language has been reinforced and now it offers a wide range of information in order to attract mobile researches to come to our University. For that purpose, a special page was designed entitled: “Researchers... Why the University of Kragujevac”? 1)

In addition to this, the Department of International Cooperation created a comprehensive web site info package related to offered services and support and other useful information2 (for which University of Kragujevac was ranked as the best HEI in Serbia according to Webometrics ranking3).
